

## **Academic English / IELTS Test Preparation Tutoring Learning Plan for Anastasia Anekova**

### **Class Schedule:**

Mondays and Thursdays | 13:00 – 14:00  
July 2020 – March 2021

### **Learning Outcomes**

Upon successful completion of this tutoring, you will be able to:

- Read and listen to Academic English texts with greater comprehension of main ideas, specific information, and the author's/speaker's arguments.
- Speak English and write Academic texts with more clarity and accuracy, including in the organization of your thoughts and ideas.
- Use an expanded range of English grammar, expressions, and vocabulary in your academic pursuits.
- Understand the format of the IELTS-Academic Test and put into place effective test taking strategies for exam day.

### **Delivery Model: Flipped Lesson Approach**

Your tutoring program includes live online (Zoom) sessions to practice your Academic English skills and clarify grammar and vocabulary, as well as additional readings, learning activities, videos, and writing assignments that you may be asked to review or prepare outside of tutoring.

To maximize your learning we recommend you complete all assignments and bring your Academic English challenges and questions to the classroom for discussion and ongoing identification of learning topics and gaps.

### **Self-Reflection and Your Learning**

Self-reflection is a critical component that helps you apply new skills, test ideas, and make ongoing improvements to your own approach and development. We will be using self-reflection and collaborative feedback (by you and the tutor) throughout this tutoring to deepen your self-awareness and apply your learning to your own life and studies.
